

• CONTAINERS OF LOVE & HOPE • HUMANITARIAN DRIVE FOR SYRIA

NuDay runs an ongoing drive for new to gently used items. Donations are sorted and packed by volunteers like yourself into containers that are shipped to Syria, where they are then distributed to women and children who have been affected by the Syrian crisis.

From a teddy bear to brighten a child's life to school supplies to the start the school year right or household furniture to transform a house into a home: your donation makes a lifetime of a difference.
